Dear Paul,

**Donation in support of The StrokeBusters Appeal**

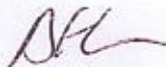

Thank you so much to the Albert Lucking Lodge of Instruction for the kind donation of £661.00 raised at the Christmas Dinner Dance in support of The StrokeBusters Appeal.

As you are aware The StrokeBusters Appeal aims to provide Southend Hospital with state-of-the-art equipment, an Acute Stroke Unit, clot busting facilities, information centre, gym and garden. The money raised will also provide a complete refurbishment of the wards and bathrooms, all of which will help to reduce mortality rates and enhance recovery for our patients at Southend Hospital.

We have enclosed a copy of our last 'Fundraising News' magazine for your information. Please let us know if you would prefer not to receive this free quarterly publication or any details of our future fundraising initiatives.

On behalf of the patients who will benefit, thank you for your support.

Kind regards,

Barbara Warner  
Senior Fundraising Manager
